CHALLENGE**

Green Monkey Velo Corporate Challenge Race Information

The Green Monkey Velo Corporate Challenge is the most epic team-building experience you'll ever encounter, combining track cycling, food trucks, music, spot prizes, and a kid's zone. Over the course of seven weeks, our relentless (and accredited) Coaches will without a doubt get you in the shape of your life for race day.

For those who haven't ridden the track before the Coaches will teach you all the necessary skills to transform you into a track cycling rock star. The regular riders amongst you will focus on pure speed and executing their plan to perfection.

Accreditation is built into this year's entry cost. Providing all the necessary skills are shown; our coaches will sign you off after seven weeks of training. This will enable you to jump into all our other sessions we have to offer outside of the Green Monkey Velo Corporate Challenge!

Event composition and training

ITALIAN PURSUIT - 1km

Best suited to riders who have never ridden the track before or don't regularly ride on the velodrome.

An Italian Pursuit is a 1km team race where each team drops a rider at the completion of each lap until only one rider per team is left to race in the final lap. The winner is the team with the fastest time.

This provides the opportunity for novices to ride anywhere from 1 to 4 laps with their team, depending on the start order and your Grassroots Trust Velodrome Coach will guide you through this process and the necessary skills to participate. It really is a race anyone can do.

Grassroots Trust Velodrome bikes and helmets are included in the entry fee and riders are encouraged to make use of these. The minimum number of riders required per team is four. This year we will run up to three categories* in the Italian Pursuit:

- **Italian Pursuit Mixed**

Each team is composed of four or five members, both female and male; four riders will be engaged in the race. Riders may be substituted to ensure everyone has the opportunity to participate on race day. Each team must comprise at least one woman. Each race must also have one woman in the racing team on race day.

- **Italian Pursuit Men's**

Each team is composed of four or five members; four riders will be engaged in the race. Riders may be substituted to ensure everyone has the opportunity to participate on race day.

- **Italian Pursuit Women's***

Each team is composed of four or five members; four riders will be engaged in the race. Riders may be substituted to ensure everyone has the opportunity to participate on race day.

*Subject to a minimum of four teams entered.

TEAM PURSUIT (1.75km)

This is a great event for riders who are more experienced and are looking to take on a greater challenge.

Unlike the Team Sprint the Team pursuit is considered an endurance event. Riders work together lapping on and off to ride the distance as fast as possible. To ensure riders keep a high speed and conserve energy, they change position every lap or half lap. To do this the rider on the front moves up the track on the bends and joins the back of the team. The time of the third rider across the line is taken as the finishing time. Teams must finish the race with three riders but may start with four.

This year we will run up to three categories* in the Team Pursuit:

● **Team Pursuit Mixed**

Each team is composed of three-four members, both male and female. Each team must comprise at least one female. Each race must also have a woman in the racing team. Three riders must finish the race together.

● **Team Pursuit Men's**

Each team is composed of three-four members with three riders having to complete the race together.

● **Team Pursuit Women's***

Each team is composed of three-four members with three riders having to complete the race together. *Subject to a minimum of four teams entered.

Equipment and Gearing Reminder

If you have your own bike, you are welcome to use it for training and race day. The bike must have standard spoked wheels this may include carbon deep section spoked wheels (no disc or 5 spoke wheels). **Gearing for the Team pursuit is 90" (50x15) and 81" (48x16) for the Italian Pursuit.** Grassroots Trust Velodrome bikes and helmets are included in the entry fee and riders are encouraged to make use of these.

Eligible Riders

Each team member must be employed by (or be a member of) the company, organisation, or club that they are representing. As such they should be able to show proof of employment (or membership) on request.

Awards

The awards ceremony will be at the conclusion of racing on race day. All team members in the top three teams in each division will receive medals. A trophy will be awarded to the top team in the Mixed Italian Pursuit and Team Pursuit Open.

Team Supporters

Race Day is the perfect time to show your team spirit and get behind your riders! We've got spot prizes for the best dressed and loudest supports so go wild! Spectator entry is free so the more the merrier! We've also got food trucks and a kid's zone - there's something for everyone.

Corporate Branding

Each corporate team is invited to display a free-standing company banner in their pit area in the infield on race day. Make sure you get your supporters some signs to hold up!
