

To all competitors and national federations

In a joint decision by the race officials and the technical delegate, I advise of the following changes to the Pacific Cup racing conditions:

Time Trial

- The Time Trial has been reduced to 1 Lap for all riders.
- The gap between riders has also increased to 1 minute (from 30sec).
- Start time for first rider 10.01am

Road Race

- The following distances will now apply:
 - Men – 80km (4 laps)
 - Women – 60km (3 laps)
- The men will start at 10am and the women will start at 10.10am (as advertised)

We regret that this may disappoint a small number of riders, but we feel the decision is in the best interests of a safe and fair Pacific Cup.

Signed

Brendan Patterson
